Mark Hanlon Come See Change

Come See Change is a marketing campaign to change the reputation of Port Pirie. With the Transformation happening at the Smelter now is the perfect time to transform the image of our city. Please visit the website comeseechange.com and also their Facebook page. They can't afford a national media campaign but with the help of former Pirie residents (particularly our kids) liking the page they can get the message spread.

Reginald George Heading

International agriculturist promoting sustainable farming techniques

Few people can claim to have coined a phrase, but Reginald George Heading can. In 1976, George was involved with air freighting hundreds of stud dairy cattle to India after they were gifted by the Australian Government to aid herd improvement. George reported to the media that the Friesians travelled “cattle class” – creating the well-worn phrase that jetsetters know today. During his long career, George spent 25 years working in Indonesia, Saudi Arabia, Jordan, Oman, Bahrain and Bhutan to equip local farmers with technical and practical knowledge, helping them apply modern Australian dryland farming techniques to improve the sustainability of their pastures and the health of their livestock. He has addressed colleges around the world, making a tremendous impact on the viability of entire industries. George has also given his time in service to local community organisations around South Australia. He’s planted football ovals in Whyalla, established bowls clubs in Port Germein and rolled up his sleeves for the Rotary Club in Port Pirie.

SUPPORT TEAM CENTURION NOW!

Have you sent your AU\$100 (or more) to D9500 Team Centurion yet?

If every Rotarian in D9500 contributed just AU\$100, the D9500 contributions to the Australian Rotary Foundation Trust, could be AU\$110,000!

All personal donations are deposited into the Annual Programs Fund, for which the donor gains PHF Recognition points, and the funds support for the Foundation's humanitarian programs. Rotarians whose donations over time reach US\$1,000 will be awarded a Paul Harris Fellow.

If your Club also contributed an additional AU\$100 per Club member, imagine how much more we would be able to achieve in our local communities, as well as internationally, through both District and Global grants. Send your donation (with the application form) NOW to

Ken Dorrington, Team Centurion, PO Box 383, PROSPECT SA 5082

A tax-deductible receipt will be forwarded to you by RI Parramatta. If you have not previously received them, a Centurion pin and certificate will be sent to you via your club.

A Donor Form is available at <http://portal.clubrunner.ca/50056/SitePage/centurion-club-application-form>
