T Werfel spoke on the Rotaty Community Directories and their publishing and distribution.

G Mayfield spoke of changes in the Recorder office and his new role in the business.

PRESIDENT'S REPORT

Thank you to Graham for getting the van ready for the New Year's Eve BBQ and for Gary, Lianne, Dieter and Danielle for staffing the van.

Bowls night, what can I say , a thank you to everyone involved from the salad makers, raffle ticket sales, completion wrangler, bowlers, sponsors approximately \$1600 has been raised for the Port Pirie Autism Support Group

The club has received an application for an outgoing exchange student and the International Committee will begin the process of assessing the application. We will be looking for Host families to host an incoming exchange student, so if you or you know of a family that might be interested in hosting then please let Graham Nichols or Peter Arnold know

Congratulations to PP Greg Mayfield on his new role as Editor of 15 South Australian papers

Greg has done a wonderful job in organizing our guest speaker's right up to April this year.

Peter Richens will co-ordinate the guess speakers for the next few months, so any ideas please let Peter know.

PP Trevor Werfel has been working on our Community Directories and has single handling sold the advertising space, stuck over 6000 magnets to the backs of the directory and arranged their delivery. This is a major fundraiser for the Club and Trevor's efforts need to be recognized and applauded.

PP Barry Mudge has been working with his contacts and the club will be doing a Drought Relief project, accessing RAWCS (Rotary Australia World Community Service) funds to do this. PP Barry will let the club know the details at a later meeting

Happy New Year to all.

Just a reminder that we still have a unique opportunity for one or two couples (or singles) interested to join us in an exciting visit to NW USA/SE British Columbia in June 2020. Actual dates to be finalised by the participants.

Please pass this on to your Club Members when you recommence your exciting new year. Replies will be followed up at the end of January/beginning of February 2020 – so there is a little time to think about it. This item was in the recent District Bizz and is forwarded to you for your particular attention.

New Friends Await in Every Corner of the World

Sometimes great experiences sneak up on you when you least expect them.

Our Rotary Friendship Exchange visitors from British Columbia and Idaho in District 5080 have now returned home to Canada & USA after a most enjoyable exchange in October for Guests, Hosts and Host Clubs - Maitland, Regency Park and Adelaide.

Clubs in District 5080 have now proposed to host a District 9500 Team for a **“Spring fling” Exchange in June 2020**. Exact dates to be determined by the participants and Hosts.

Rotary Friendship Exchange

We already have 3 couples interested in taking advantage of this opportunity, one from each of the Hosting Clubs. One single is also interested. **We need one or two more couples or singles from other Clubs in the District.** You don't need to have actually hosted to benefit from this unique opportunity. There is also an ideal opportunity to on-travel before or after the Exchange.

Rotary District 5080 is an international District that includes 61 Rotary Clubs located in south-eastern British Columbia Canada, northern Idaho and eastern Washington State in USA. They are joined in common by the waters of the mighty Columbia River system.

If you are interested in visiting District 5080, please contact -

Up 'til January 26th -

What is **Rotary Friendship Exchange**? - one of Rotary's best kept secrets.

According to Rotary International (www.rotary.org/friendship-exchange) the Rotary Friendship Exchange Program is an international exchange program for Rotary members and friends that allows participants to take turns hosting one another in their homes and Clubs in another country. Its goal is to build international friendships, advance international understanding and goodwill through person-to-person connections across national boundaries.

It is an ideal example of this year's Theme - **ROTARY CONNECTS THE WORLD**
