- The Science & Engineering Challenge organisers sent an indicative pricing of \$10,200 for next year's event. This is well beyond the means of the club and local sponsors. The way forward seems to be either find a major corporate sponsor, or develop a low-cost alternative.
Roger to approach engineering companies on site at Nyrstar (Worley Parsons, Beca etc) re sponsorship.
- RAIC need to contact school's for suitable year 11 candidates
 - Roger Nottage
 - Greg Hay
 - Midnorth Christian College
- Thank you to those who did the Rotary presentations to the schools.
- The "Read Aloud" competition final was on 19 November 2016. Very successful with good involvement from schools. How could Rotary contribute to the event in the future, perhaps Prize money.
- Need for new members perhaps Sarah Tomlinson and Ryan ?? volunteer at Science & Engineering Challenge
