Tory Annese Woolworths Manager

Tory is married with 3 children and the first grandchild imminent. He started work early in life and learned a good work ethic from his father. Bought own chicken shop, hotel. Started life in Port Augusta but knew eventually he would live in Port Pirie, where relatives are. Had the Erldunda Roadhouse which is approximately 200 kms from both Alice Springs and Uluru. Then worked in Adelaide but the pull of Port Pirie was too great.

The Supermarket industry snaps up people with great work ethic and customer focus. Retail is the easiest profession to get into but hardest to get out of. Started as Night Fill Manager at Coles and became Store Manager 8 years later.

State Manager wanted Tory to go to Port Augusta but a call from Woolies changed all that and he has been at Woolies now for 8 years.

Tory is proud to be a part of Woolies, a great Australian company. He said 96% of fruit comes from Australia, 100% of beef from Australia and there are 111,000 people employed by Woolies.

The first Woolworths store opened in Sydney on 5 December, 1924. The 'Fresh Food People' stamp was brought in in 1987.

Locally, Woolies employs 142 people. Tory has all employees begin on checkout.

The company is checking every day what customers are saying. All stores in the Northern Areas are going through a refit. Checkouts, produce tables, etc being refurbished.

Always reacting to queue wait times, team attitude, out of stocks, correct ticket pricing.

Woolies has 20,000 customers per week. Offer to Rotary is Woolies will put up \$50 worth of groceries per week and a \$20 gift card. Rotary can set up in-store to sell raffle tickets on a number of days or all week. Bbq sausage sizzle is available on Saturday mornings as well.

Responding to questions, Tory said that online shopping has begun and that 'click and collect' begins on 1 June. Order online and your parcel will await you after work.

Joke of the Week

He who laughs last, thinks slowest.

Is it wrong that only one company makes the game Monopoly?

Women sometimes make fools of men, but most guys are the do-it-yourself type.

I was going to give him a nasty look, but he already had one.

Change is inevitable, except from a vending machine.

The grass may be greener on the other side but at least you don't have to mow it.

I like long walks, especially when they're taken by people who annoy me.

I was going to wear my camouflage shirt today, but I couldn't find it.

If at first you don't succeed, skydiving is not for you.

Sometimes I wake up grumpy; other times I let her sleep.

If tomatoes are technically a fruit, is ketchup a smoothie?

Money is the root of all wealth.

No matter how much you push the envelope, it'll still be stationery.
