The 2017 Football Gates timetable is below. Can Rotarians be prepared to select their own time slots at this week's meeting or the following weekly meeting. As there are 112 time slots and approximately 30 members who can perform the footy gates duties, Mark asks that you select four time slots. When completed Mark will finalise a timetable for distribution to members.

Rotary exchange

Craig to talk to Annette about going to the three secondary schools to promote outgoing exchange. Need to consider if we will host a student this year, we need new host families.

Tag along Tour: Mario Valente has again advocated this as a good fundraising activity. The question raised was "can we get permission to travel on the firebreak tracks in the Southern Flinders ranges.

Club Catering: Stephen Lynch queried what was happening regarding the notion of the club doing self-service of meals. Craig to raise at next board meeting.

Bowls Night: Owen has an issue with nominating a project before running the Bowls night. He believes the event should be advertised as being for "Rotary Community Funds". Craig to that this to Board for their opinion.

Rotary Club of Dau: Owen advised that this club is alive and well, and open for business. Difficult getting hold of them.

Aboriginal Community: Not proceeding with this project.

Philippines: Craig reported on the joint meeting held at Port Wakefield on the 19th February. It was decided to go ahead with this subject to Board approval of funds. Trevor was going to be in contact with his spouse Cindy to get wish lists from schools in the area.
