Meeting 21st February

Rosie Weldon will be our guest speaker on Birthing Kits that are supplied to PNG. This is an excerpt from the bkfa.org.au web site. We hope you can attend the meeting.

Around 300,000 women and 3 million newborns die each year from preventable causes related to pregnancy and childbirth. Most of these deaths occur in developing countries. To help address this, we provide an opportunity for Australian volunteers to fundraiser for and engage in the assembly of Birthing Kits.

We partner with local organisations and health service providers that work in low-resource and emergency settings to improve maternal and newborn health outcomes. We donate Birthing Kits to approved organisations for distribution to pregnant women and maternal healthcare providers to help enable a safe and cleaner birthing environment.

Notes from Club Assembly

RIP

Please note that the brother of Glenys Blacker, President of the Rotary Club of Northern York Peninsular, passed away in an accident at Mundoora last week. President Sebastian has offered his condolences to her on behalf of this Rotary Club.

LAST WEEK

President would like to thank members for their cooperation during the trial of our new Club Assembly format, which was run quite efficiently by President Elect Pam. Members will have the opportunity to give their opinions on how this format was received at this week's meeting.

President welcomed back Rotarian Lin Joyce after a recent medical procedure.

On Wednesday 13th at 1.00pm members have the opportunity to come along to Helping Hand (Lealhome) in Halliday St to be involved in the beginning of the Wisteria Arbour project. This is also a photo opportunity required for our District Grant application and would be appreciated if we had a good attendance.

This week's meeting will be a partners night as after the meeting we will have the opportunity of a guided tour at the New Sports Precinct. It also is Valentines Day Thursday with a special menu being prepared, so come along for a good night out.

Please notify Vice President Graham if you will be bringing a guest.

Committee Directors are reminded that they will have the opportunity of addressing our meeting this week with important information arising from their respective meetings last week.

The new apparel that will be worn while working the footy gates this year was displayed by Vice President Graham, and approved by members. These will be ready for the AFL match in March.

International Director Peter Arnold gave members an update on our Exchange Students overseas. Apparently Fergus is enjoying all the activities of the Finnish snow fields while Scarlet has been commended on the way she has adapted to the Brazilian lifestyle and especially the language.

As Past President Barry mentioned a few weeks ago, there will be a launch of the Game Changer Programme on Friday the 22nd of February at the new Sports Precinct from 5.45pm with Cocktail food and drinks. Barry mentioned as part of this programme, sports clubs are offered the opportunity to run Outside the Locker Room which is a programme for players involved in sporting clubs focusing on education and support in relation to their daily challenges. This is a one of a kind programme for local clubs to have their players mentored by a team of professionals in a 12 month commitment to the sporting clubs.

This Rotary Club has allocated up to \$5000 to assist in running the programme, which is Past President Barry's President Project and something he is very passionate about. This Club has been officially invited to this launch and it's a shame that Past President Barry won't be able to attend, but President Sebastian would appreciate it if we can have a number of members come along with him to show our support to Barry and this programme. The President will ask for a show of hands this week for catering purposes.
