Thank you for agreeing to participate in this important project to help Rotary International document the service that Rotary clubs do around the world. Your club is one of a small number in your region that we have selected for this survey.

This survey will collect information about the volunteer work activities that Rotary either sponsors or organizes. We are asking about the Rotary volunteer work activities of ALL of your club's members during the past four weeks. It is important that **all club members answer this survey** as candidly and accurately as possible, **even if they did not participate in Rotary events or volunteer work** during the past four weeks.

No information about individual members or clubs will appear in the results.

Here is your club's customized survey link:
