Michele Pole Moving People Pirie

Moving People Pirie is a 12 month pilot program funded by the Department of Planning Transport and Infrastructure. It commenced in November 2017. The program is overseen by the Regional Accessibility Committee (RAC) that is made up of local stakeholders; service providers (bus, taxi and car), local government, health, ageing and schooling service providers.

Moving Pirie provides the Port Pirie community and surrounding areas a central hub to access transport services and transport assistance information.

If you need to travel (medical appointment, shopping or social activity) and don't know how to get to your destination contact them – they can even come to you for the first meeting.
