Rotary Youth Leadership Awards (RYLA) is a [leadership](#) program coordinated by Rotary Clubs around the globe. Each year, thousands of young people participate in this program. Young people ages 13–30 are sponsored by Rotary Clubs to attend the event run by the club's district committee. Participants are chosen for their leadership potential. Rotary Clubs and the Rotary District cover all expenses for the participants. The format of the event vary from district to district, but commonly take the form of a seminar, camp, or workshop to discuss leadership skills and to learn those skills through practice. Rotary clubs and districts select participants and facilitate the event's curriculum.

RYLA aims to:[\[1\]](#)

- Demonstrate Rotary's respect and concern for youth;
- Provide an effective training experience for selected youth and potential leaders;
- Encourage leadership of youth by youth;
- Recognise publicly young people who are rendering service to their communities.

Every RYLA program covers the following core topics:[\[1\]](#)

- Fundamentals of leadership
- Ethics of positive leadership
- Importance of communication skills in effective leadership
- Problem-solving and conflict management
- Rotary's purpose and service to the community
- Building self-confidence and self-esteem
- Elements of community and global citizenship

RYLA participants often go on to become Youth Exchange students, [Rotaract](#) participants or Ambassadorial Scholars.

Club Assembly Strategic Plan

Committee reports were shortened last week to enable time to investigate our Clubs Strategic Plan.

Rotary's strategic plan provides the framework for our future, ensuring that we continue to be known as a respected, dynamic organization that advances communities worldwide.

The strategic plan evolves with the aspirations of Rotarians. It is shaped by regular input from members through surveys, focus groups, committees, and meetings, so it can continue to help us achieve our goals.

In June, Rotary's Board of Directors and Trustees approved a new vision statement for the organization:

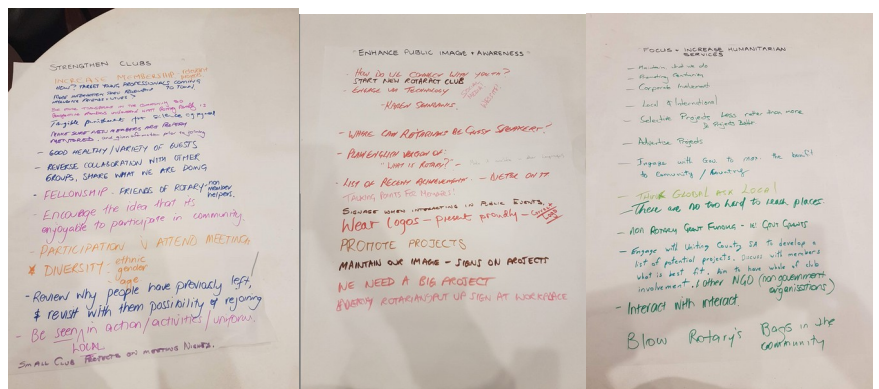

“Together, we see a world where people unite and take action to create lasting change — across the globe, in our communities, and in ourselves.”

The new vision statement helps us set a future course so that Rotary can thrive in the years ahead. It reflects the impact Rotary aspires to have on the world and our members.

Members gathered around tables and noted areas of importance that can be refined and discussed.

By identifying Strengths and Weaknesses we should be able to list Goals, Responsibilities and resources to achieve the desired outcomes.

33 of the most brilliant minds in Port Pirie came up with the ideas below which will be formulated into our Strategic Plan.
