Guest Speakers

Irfan Hashmi & Adeel Ansari Pharmacy

The Risdon Pharmacy team - Irfan, Adeel, Saad and Jade - gave the Rotarians present an interesting and informative discussion about some the services they provide.

Adeel spoke about the strokes symptoms and the urgency in getting medical treatment (<4 hours) if you suspect someone is having a stroke.

For symptoms think FAST

- 1) Facial Drooping
- 2) Arm Weakness
- 3) Speech Difficulties
- 4) Time to call Emergency Services

Jade presented some of the services available to make life easier for those who take regular medication.

Webster Paks, for \$2/week you get all your medications organized in a weekly pack.

Home delivery available.

Free diabetic medicine review

She also discussed an App , MedAdvisor, for your phone that can assist with managing your prescription medications, reminding about refills, alerts for when to take and a warning when you may need to see the doctor for a new script are just some of the features of the app that I am sure all those with smart phones will be rushing to install.

Irfan Hashmi was South Australian Pharmacist of the Year but it was not an easy journey. After reaching Australia as a new migrant family, they passed through various phases including studies, exams, jobs and raising family. Seeing opportunity through adversity has carried Irfan Hashmi and his wife, both pharmacists, throughout their lives, from their homeland in Pakistan to the Flinders Ranges region in South Australia.

Struggling to get an opportunity in Adelaide his wife got a position in Darwin. After a year they both got positions in Port Pirie. Since moving to Pirie in 2005 Irfan and his wife have established a succession of pharmacies in regional communities, including Port Pirie, Orroroo, Coober Pedy & Quorn. When he first arrived he played cricket for Wandearah, but 3 seasons he had to give it up as he got busier with his growing business.

They are very happy to have settled in Port Pirie as it is a wonderful town to raise a family.

Greg with Irfan, Jade, Saad and Adeel.
