## CLUB SERVICES COMMITTEE

Sebastian reported that the Family Fun Day had not been well attended, as was expected due to members' commitments with the Errappa Camp and other events and with farmers involved in seeding.

Greg reported that he had spoken to the new teacher in charge of the Interact Club. He advised her that the students should Google other Interact clubs around the world for pointers on what they were doing and for inspiration. They will continue the 40-hour Famine as the international project and will discuss options for a community project. Greg, Dannielle and possibly Pam hope to attend the next meeting of the club.

Greg also reported that he was waiting on a date from Uniting Care about use of the Men's Shed for the Birthing Kits assembly project. It was agreed that he should go ahead and order the kits.

Matters arising from Board minutes:

Entertainer Mark Holden to perform free on August 26 with funds raised going to ROMAC. He is a former Interactor. There will be some advertising costs. Greg to interview him for Recorder.

Committees to look at strategic plan.

Trots night raised \$2447 divided between Food on Friday and Fred's Van.

General business:

About 25 are interested in the Rotating Dinner at the Travelway Motel on June 16.

Discussion about Rotarian of the Year - should members choose him or her? Should it be awarded every year?

Discussion about Change-over Dinner including posters for other clubs and Owen supplying invitations and placemats. Rolling photos in the background at the dinner - some from Facebook page, hopefully including exchange students - Dannielle and Owen to organise. Bill suggested an interview with Bill Gates about polio eradication could be included as a video.

Owen suggested a book be published on memorials in Memorial Park, perhaps with the help of historian Andrew Male under a district grant. More defibrillators could be provided with district grants. Lealholme's \$5000 rotunda could be a president's project next year.

Suggestion made that we visit the Italian Fishing Boat Museum on a fifth Thursday.

## **Community Committee**

Tag along Tour successful weekend raised \$1,100

Council breakfast for 35 people, charged \$200

Mother's Day flowers, thank you to all who participated.

Rethink on catering for Anzac Day movies, poor turnout 2 successive years.

Catered for Anglican church the same weekend as the Tagalong Tour.

Safe house project, we have been asked to paint some benches and provide a top for the old BBQ area.

We have been asked to do a few BBQ's for Savoy Soccer Club while they need to use alternate oval, we did one and made \$400.

Mark Holden event for August, still finalising the format.

Looking to have another Trots Night.

Investigating banner for the BBQ to increase visibility.

## **INTERNATIONAL COMMITTEE**

OT student project for the A & C ward lounge, we are a bit concerned about value we received from quotes and will be investigating further. Considering ongoing funding from Bowls night.

Exchange students, student from Finland arriving 22<sup>nd</sup> July. Craig will be the counsellor, the Tillers and Todd's. The outgoing students have been accepted, Scarlett will be going to Brazil and Fergus going to Finland.
