Board Notices

- Dennis Coad suggested that the student sponsored for RYPEN be invited to speak at a dinner meeting.

General Business

Errappa Youth Camp:

- The camp was very successful. Barbara Camporeale was recognised for organising and facilitating the camp to achieve this result.
- All the supporters of the Camp will be invited to a Rotary dinner meeting to thank them for their contributions.

Science & Engineering Challenge:

- The District grant report has been submitted for payment. John Rowe indicated that he would like to add photographs from the event to be held on 20 June 2017.
- No offers of sponsorship have been received. There are sufficient funds for the 20th June event only. Any future events would need sponsorship to make them viable.
- More cost-effective science, technology, engineering and maths (STEM) events will be considered in 2017-18.
- ACTION: Robert Hosking to approach Nyrstar and ask if they would donate a trophy for the event.
- Greg Mayfield will conduct media relations for the event.
- Bob Ward will approach Nyrstar and SJ Cheesmans to ask for science and engineering personnel to be made available for the event.
- Robert Hosking has a current Senior First Aid Certificate.
- The Challenge will be held at the John Pirie Secondary School gym. Setup will be at 7pm the night before.
- ACTION: Need to source approximately 32 tables for the event. Cutting boards may be required to protect the tables.
- ACTION: Seek volunteer helpers from the Rotary Club membership. The commitment is 9am to 2:30pm on 20 June 2017.
- Bob Ward will ask the school if the students are able to prepare the lunch. Otherwise, subway sandwiches are a potential alternative.

Rotary Youth Programs (RYPEN, RAIC & RYLA):

- The District grant report has been submitted for payment.

Membership Recruitment:

- Neville Ferme received good feedback from members during the Rotary information night. He should be invited to the next meeting, along with Pam Menadue.

Joke of the Week

The Indians asked their Chief in Autumn if the Winter was going to be cold or not. Not really knowing an answer, the chief replies that the Winter was going to be cold and that the members of the village were to collect wood to be prepared.

Being a good leader, he then went to the next phone booth and called the National Weather Service and asked, "Is this winter to be cold?"

The man on the phone responded, "This Winter is going to be quite cold indeed."

So the Chief went back to speed up his people to collect even more wood to be prepared. A week later he called the National Weather Service again, "Is it going to be a very cold winter?"

"Yes", the man replied, "it's going to be a very cold Winter."

So the Chief goes back to his people and orders them to go and find every scrap of wood they can find. Two weeks later he calls the National Weather Service again: "Are you absolutely sure that the Winter is going to be very cold?"

"Absolutely," the man replies, "the Indians are collecting wood like crazy!"
