The 70th Annual Report of

The Rotary Club of Port Pirie Inc.

Presented by

President Greg Hudson

at

The Changeover Dinner

Meeting 3454, July 3rd, 2025

Port Pirie President

Greg Hudson

Rotary International President

Stephanie A Urchick

District Governor District

9510 – Mari-louise Lees

Object of Rotary

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

1 The Development of acquaintance as an opportunity for service;

2 High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

3 The application of the ideal of service in each Rotarian's personal, business and community life

4 The advancement of international understanding, goodwill and peace through a world fellowship of business and professional persons united in the ideal of service

Director – International	**PP Danielle Camporeale**
Director – Rotary Foundation	**PDG John Rowe**

President's Report

2024-2025

Another wonderful year to be celebrated as my time as President has come to an end. All members should be very proud of their contributions across many fund-raising events supporting worthy projects, locally and abroad, individuals and communities. Our club, all be it small, has made a significant impact in making a difference, in line with Rotary's areas of focus, to those in need.

Wanting to have a focus on Membership this year (in leu of a President's Project), little did I know what a beast that task was. The issue of attracting new members, not just to our club but to Rotary, and many other community/volunteer organisations is a conundrum. Unfortunately, I don't have a 'silver bullet' to remedy the situation, nor do I even understand the culture of reluctance for to people to be engaged in their local communities. I would like to thank those who participated in exploring and sharing new ideas to attract members and getting that down on paper, ideas which I will unpack and explore over the coming months. Although my time has passed as President, I will continue to champion and encourage everyone to 'keep having the conversations' to prospective candidates of the rewards of being a member of the Port Pirie Rotary Club. Also I take the opportunity to welcome Rick Olsen to our club as the only inductee this year.

The second task I set my sites on was actively participating in the District Regionalisation Project. Although not convinced this is the correct path for Rotary to be heading down, I didn't want our club to be exposed to something we may not want to be a part of or have had any input or influence over. Our club along with that of Clare seemingly inherited the lead in trying to establish a working model from the framework of what was being optioned. Specifically, our proposal for group funding of a mobile medical facility in the Ukraine.

This project has been well received and supported in principle by our 'Group 2' members and will be seen through to its conclusion by incoming President Philip in the first quarter of the new Rotary year. I'm yet to be convinced by any means of this new direction from the district other than to increase the bureaucracy. Our club has always been strong, active and one of action and to date, I see no tangible benefit for us or non-metro clubs. Despite our club deciding to no longer continue our relationship with the SGL in manning the football gates on Saturdays, the void has been filled with many other fundraising opportunities. Many reoccurring events from relationships built up over a number of years, with Council, local schools and community organisations and many new relationships emerging.

Congratulations to David (Bomber) Brown, his committee & all that volunteered for taking up the lion's share of fundraising events this year. Job very well done!

Our Strategic Plan was endorsed back in December by the board, and I thank Barry Mudge for his efforts (over a couple of years) to bring this to fruition. Barry was ably assisted by some remarkable Rotarians over the course of this project.

Much appreciation must go to our Sergeants for entertaining us and fleecing us of our loose change. You all put in an amazing amount of thought into breathing life into old dad jokes and relating current events, however obscure, to members faux pas, all for our amusement. Thank you, Pam Menadue, Stephen Lynch, Chris Keane, Peter Richens, Rory Good and David Brown.

To our Web Master, Roger Crouch, Attendance Record Keeper, Bill Akker, Bulletin Editor, Peter Richens, Graham Nichols for our weekly SMS reminders and to our shed fairies, I thank you all for your contributions in making our club a successful one.

From peace poles to sensory gardens, shelter boxes to relocatable medical centres.

An organisation such as ours can only flourish from the dedication and hard work put in by all members. I would however like to thank two individuals for their amazing work, most of which goes on behind the scenes, going above and beyond every week. Secretary Peter Richens for his support and knowledge on all matters Rotary and Treasurer Peter Stanley, (who I can't even comprehend how many fifty cent pieces he's had to count over the years) for his exemplary bookkeeping. Both have made navigating a pathway through my Presidency experience exceptionally easy, thank you both.

Of course, it would be amiss of me not to thank our wonderful board, Philip Johns, Barbara Camporeale, David (Bomber) Brown, John Rowe and Dannielle Camporeale. As well as Craig Rimmer VP and Dieter Lunsmann IPP for their ongoing support & sage advice and not forgetting all our magnificent members of the Port Pirie Rotary Club.

It has been a privilege to represent Rotary International and in particularly our club in the capacity as President this past year and as we proceed into a new Rotary year, facing old and new challenges I wish incoming President Philip and his board every success for 2025-2026.

Club Service Annual Report

Members: Philip Johns Chair, Roger Crouch, Bill Akker, Pam Menadue, John Rowe (Foundation), Peter Richens, Peter Stanley.

The Rotary Club of Port Pirie runs smoothly because of the work put in by the club service committee.

Our secretary Peter Richens who is an excellent word smith keeps the minutes and correspondence up to date.

We have one of the best treasurers of any Rotary club in Peter Stanley his 15 or more years of service in this role has been outstanding but after that length of time it may be wise for us to get Peter to train up a replacement and let him relax more at meetings.

Bill Akker does a great job in keeping our attendance records up to date and I must give Graham Nichols a big pat on the back for his weekly SMS's re attendance, ensuring we have accurate numbers for our caterers. While on that subject I must thank them for their weekly efforts, anyone who has visited other clubs would realize how well we are served.

Peter Richens looked after the Bulletin this last year, it is a necessary job and it have done it well but again we are relying on the same people to do a job year on year and that can't be allowed to continue, this is Rotary and we are supposed to rotate jobs.

The sergeants have once again done great job of entertaining us and raising money. We have a good number of sergeants which shares the workload around and makes it easier. Thanks to Pam Menadue, Stephen Lynch, Chris Keane, Peter Richens, Rory Good, David Brown and anyone who did a guest spot and I did a few as well.

PDG John Rowe has been looking after Foundation this year and I will leave it up to him to report on that, suffice to say that next year John will have an assistant who will start to learn the ins and outs of Foundation so this club will continue to reap the benefits of this side of Rotary. During my many years in Rotary

I have always appreciated the work of those who have organised the programme, it is a big and demanding job. This year has been no exception but the whole committee and a number of other members of the club have contributed to efforts to find our guest speakers. I think we have had a varied and interesting programme.

Roger Crouch has also volunteered to put this Annual Report together so many thanks Roger.

Pam Menadue made several attempts to get social events happening for the club with little success, it seems that members no longer look to be involved in these events anymore so we move on, thanks Pam.

On the membership side of things we have gained one new member this year in Rick Olsen but we must endeavour to do much better if we want to see this club not only survive but flourish. This is a whole of club responsibility.

Thanks to President Greg for his support and congratulations on a good year.

I also wish David (Bomber) Brown every success as Club Service Chair for the forth coming year.

Philip Johns Chair 2024/25

Drought Relief Hay Donation

Community Service Report

Chair: Bomber Brown, Members: Dieter Lunsmann, Mark Pawlik, Barry Mudge ,Chris Keane, Sebastian Mezzino, Kenton Franks, Neville Ferme, Graham Nichols, Gil Wauchope, Rob Tolson, Ingrid Meissner, Neville Myers.

Well what a year its been, with the decision to not do the footy gates anymore, our main revenue raising stream was BBQ's and did we BBQ.

Around $25,000 was raised which is an amazing achievement and by far our biggest fund raiser. It has been an overall club effort but a number of committee members have excelled themselves.

Craig, Marilyn, and Kenton have worked on many BBQs which has helped me a great deal. I must thank, especially Kenton who has help to ensure that the stock levels for utensils and condiments were always stocked up.

Sebastian for organizing the sports day BBQs for St Marks and also the Feast Day event all three of these raised a considerable amount of money. This year we again helped the Solomontown Primary School with their Sports Day.

The Food Festival was a big event with the stage and BBQ along with staffing of gates. A good cross section of the club made themselves available for set up, pull down and catering and considering the extreme heat we had this time around it was very much appreciated.

Apart from catering the committee have been busy with other community service projects. Neville Ferme took charge of the dismantling of the council playground equipment a project that former member of our club and now a member of Mt Barker Peter Bauer organized for us .

After the dismantling was complete the equipment will be sent overseas to be reused. Apart from dismantling one wrong playground everything went well. All playgrounds were along with woolen goods, books and medical equipment were taken to the R.O.A.R Shed in Adelaide.

We also got involved in helping our local community, establishing the Sensory Garden special thanks to Gil Wauchope for organizing, catering for the Wandearah Memorial Institute celebrations and a Farmers Dinner in Feb. Once again we were involved in The Blessing of the Fleet, Nadoc, Kidtober, Neami Opening and all the council events and school events and we also did the Lentil program again.

And our Quiz Night and Bowls night were very successful and great fund raisers.

Again we formed a strong connection with Uniting Care donating $5000 towards a kickstart program.

I have learnt so much this year about how our club is so willing to put their hand up to donate their time to help others.

I wish Craig all the best for next year which I'm sure he will handle with his usual grace and dignity.

David Brown Chair

One of many BBQ's

YOUTH, VOCATIONAL & INTERNATIONAL COMMITTEE

BARBARA CAMPOREALE CHAIR

Members; Stephen Lynch, Craig Rimmer, Peter Stanley, Geoff Brock, Rory Goode, Rick Olson, Allan Paterson, Dannielle Camporeale.

It was decided by the Board that The International Committee would join in the Youth & Vocational Committee. The Chair for International is Dannielle Camporeale.

That being said, we did have an out bound Exchange Student.

Bailey Dobson from Booleroo Centre spoke at our Dinner Meeting prior to leaving on her adventure to Denmark and was very impressive, well-spoken and confident. On her return Bailey was invited back to tell us of her journey and it was wonderful to see her growth and positivity gained from the experience.

The Club was approached by Alyce Ferme who was lucky enough to be offered an internship to Washington DC as a part of her political studies. As a club we were able to assist Alyce with covering some of the cost she incurred for her trip. Alyce spoke on her internship prior to her departure and again on her return. Like Bailey , the confidence in which she conducted herself and in the way she embraced this opportunity is a credit to her.

Most of our Projects have carried on from last year.

The Sensory Board has now been completed with only the bench seat to be installed by the Port Pirie City Council. This Community board was made possible by a District Grant and with the support of the Port Pirie City Council. This board is to help non verbal and disabled to communicate with the public by pointing to the pictures on what they want to do.

The writing competition is now called The Greg Mayfield Literacy Award. This competition is still in progress with the Risdon Park Primary School year 5 students. The students will write a five hundred word essay on who they admire the most and why. The prize is $500.00 for the School Library and $100.00 for the winner.

The Club kindly supported the Rotary Youth Citizen Awards. The Schools involved were St. Mark's College, Christian College, Port Pirie High School, Booleroo School and Gladstone High School.

Thank you to all Rotarians who attended to present these awards.

With the Clubs donation to Operation Flinders . President Greg and myself were into the students talk about what change it has done to their lives is amazing.

The Club has agreed to support this program again this year. With the Clubs donation to Operation Flinders . President Greg and myself were into the students talk about what change it has done to their lives is amazing.

The Club has agreed to support this program again this year,

Our Committee undertook the idea of giving Mothers a different gift for Mother's Day this year. We decided to make small parcels of a face washer and bar of soap. These were very much welcomed by all ladies in Hospital, Lealholme St. Joseph's House, and Hammill House. Altogether we made 146 ladies gifts

. The staff of these houses thought it was a better idea than flowers as there were not enough small vases to go round to all ladies.

Throughout the year on the 5th Thursday we attended various locations to visit. S.D.Caputo and Sons Fish Shop, Carn Brea outdoors restaurant where the Club held our Christmas meal, Port Pirie Museum which is a wonderful place to visit after the renovations.

Our Committee congratulates President Greg on a very successful year and his leadership.

Thank you to all the members of this Committee for all your support during the year

Best wishes to all new incoming Directors.

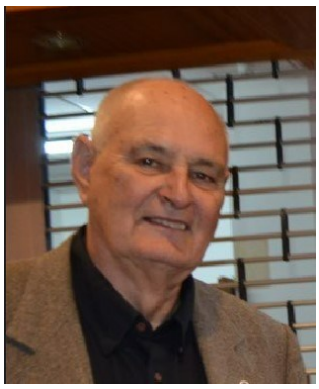
ROTARY FOUNDATION REPORT

PDG John Rowe



During the current year our club and members have contributed in excess of $8,100 to the Rotary Annual Programs Fund, taking the Club and Members, all time giving to $US292,779. As a club we should be proud of this achievement.

Our Global Grant 2343829 for the Water Project with the Rotary Club of Baguio is still on going with the next report due in two months. The project is to provide a Water System for Barangay Poblacion, Kabayan , Dutab (Chuntug and Opdas). The Primary Contact is Francis Ali Morales who has replace Gerard Audineau (Deceased).

The next Report is due in July.

Our current Global Grant 2577783 is with the Rotary Club of Meycauayan Uptown for the communities of Nueva Ecija and Bulacan. Eight poor elementary schools have been identified in the community assessment process. Four schools in each of the two communities will receive potable water.

During the Needs Assessment the team witnessed the lack of a water source. The surrounds were basically dirty and unsanitary which is reflected in the health of the community. The beneficiaries currently walk up to a mile to fetch clean water.

This project is costing approximately US$30,914 and is being funded by US$10,000 DDF from our District and AU$524 from our Club. District 3770 are contributing US$7,000.

The Rotary Foundation will contribute US$13,594 from the World Fund.

The Grant requires one more Authorization before it is automatically submitted to the review committee, hopefully we will have a positive response.

Our Club also applied for a District Grant of US$628 via Barbara Camporeale's report.

John Rowe

Port Pirie Rotary Events Calendar

2024-25

Jul 08, 2024	Nadoc BBQ at Council Office
